Troubadours of the Faith: A Chant Catechism

God asks little, but He gives much. - Saint John Chrysostom

On the last day of school, please pick up any medication you have left in the office. All medications not picked up will be disposed of.

Summer reading lists and school supply lists will be posted on the web site and emailed to you on June 25.

We will be running a Summer Tutoring program for students who are currently in grades K-7. The program is funded by the Title 1 grant, so participating students need to live in a Title 1 eligible area and have demonstrated academic need. Teachers have submitted some students names for the program. If you are interested in having your child considered for the program, please email Miss Willis before this Friday. Students who are eligible will be assigned to individual teachers and the teachers will contact those parents with regard to times and dates.

We are in need of parent volunteers for Field Day on June 14. If you are CORI'd through the diocese and wish to volunteer, please call the school office.

No hot lunch on Monday and Tuesday of next week. Wednesday, June 20, the last day of school for students. It is a half-day with dismissal at 11:30.
