**We welcome Mrs. Leanne Parker** to the staff. Mrs. Parker is our new second grade teacher. She comes to us with 10 years of experience at the primary level. Her degrees are in Elementary Education and Special Education. Thank you to our second graders for being so good for me last week!

**The Yard Sale is this Saturday morning, September 8 in the parking lot.** See the attached flyer for details. Spread the word among any yard sale aficionados whom you may know!

**Gradelink login information is being sent home today.** Parents and students are able to log in at any time, from any computer or mobile device, to check their child's grades and conduct. Parents will only have access to their own child's information. Parents are also able to set up their accounts so that they receive email alerts if a child's grades or conduct begin to drop. New parents can view a demo at [www.gradelink.com](http://www.gradelink.com). Gradelink will be the primary way teachers communicate with you regarding grades. Please check it often and contact the teacher if you have questions.

**Class pages for all grades are found on our school web site under the Students tab. These will be updated daily by the teachers.** The class pages have space for homework assignments, announcements, long-term project directions, and important class documents. There is also a section for classroom wish lists. ***Parents and students in grades 6, 7, and 8 are especially encouraged to view their class pages in the near future to view the videos of exemplary long-term projects.***

**The Handbook** is currently being revised. The new version will be posted on the web site as soon as it is ready and will be distributed at the Parent Night. Update calendars will be available then, as well.

**The Opening School Mass and lunch are on Sunday, September 9** at 10:00 a.m. Students should arrive no later than 9:40 a.m. **All students attend Mass in uniform.** Grades K-8 sit as a class with their teachers. PK sits with their parents. **The Parent Group hosts lunch. A flyer regarding lunch is attached. Please return this to school so we know how much food to prepare.**
