Friendship With Jesus: Living a Eucharistic Life

The season of Advent is like springtime in nature, when everything is renewed and so is fresh and healthy. Advent is also meant to do this to us—to refresh us and make us healthy, to be able to receive Christ in whatever form he may come to us. – Blessed Teresa of Calcutta

Saint of the Week: St. John of the Cross 14 December: He was born in Fontiveros, in Spain, in about 1542. He spent some time as a Carmelite friar before, in 1568, Saint Teresa of Ávila persuaded him to pioneer the reform of the Carmelite order. This was a difficult task and a dangerous one: he suffered imprisonment and severe punishment at the hands of the Church authorities. He died at the monastery of Ubeda in Andalusia on 14 December 1591: the monks there had initially treated him as the worst of sinners, but by the time he died they had recognized his sanctity and his funeral was the occasion of a great outburst of enthusiasm. His works include two major mystical poems – he is considered one of the great poets of the Spanish language – and detailed commentaries on them and the spiritual truths they convey. He was canonized in 1726 and declared a Doctor of the Church in 1926. (*Universalis*)

Congratulations to our Robotics Team who won the Robotics Design Award at the qualifying competition in Hopkinton on Saturday. Our team has qualified to compete in the Southern New England Championship in January.
