STILL LIFE DRAWING

January 28 ~ March 11 (no class on Monday, February 18 due to school vacation)

This series will focus on how to draw various objects.

Concentration will be on light, shadow, and texture, through a set of simple step by step lessons, where we break down the drawing process into manageable parts to help you improve your technique. Portraits are an option, if you are interested.

PASTEL

LANDSCAPES/NATURE PAINTING

March 4 ~ April 22 (no class Monday, April 14 due to school vacation)

This series shows you how to tackle the most common elements that make up a classic landscape painting - skies, trees, water, mountains and textures like rock, wood and stone. Each lesson starts with simple studies like composition, value, color mixing, blending. These studies progress you to more challenging examples.
