

St. Stanislaus School

Preschool - Grade 8

St. Stanislaus School, founded in 1906, serves students from preschool through eighth grade. Our graduates go on to a wide variety of private and public high schools. Each year, over half of our students qualify for honors courses in their respective high schools. Ninety-four percent of our graduates earn a college degree. St. Stanislaus School is accredited by the New England Association of Schools and Colleges, Inc.

OUR CATHOLIC FAITH

We begin each day with the entire student body gathered in church for morning prayer. This prayer teaches us that we are members of the communion of saints, a community that knows no bounds. We remember that Jesus Christ is the Teacher. We find our meaning and purpose in Him.

ACADEMIC EXCELLENCE

We aspire to teach a love for wisdom, beauty and truth. Through the disciplines of Literature, Mathematics, Science, History, Religion, Art, Music, Technology and World Languages, students discover the wealth of human knowledge. They become critical thinkers, whose judgments are based on religious and moral truths.

EXPLORING TALENTS

We provide a wide variety of extra-curricular activities in which students can discover and develop their talents, including Basketball, Futsal, Track, Drama, Engineering, Media, Robotics, Spanish Club, Yearbook, Children of Mary Service Club, and Instrumental and Vocal Music

Consider the gift of a Catholic education for your child, grandchild or godchild.
