Friendship With Jesus: Living a Eucharistic Life

*Only God bring happiness. Lenten practices of giving up pleasures are good reminders that the purpose of life is not pleasure. The purpose of life is to attain to perfect life, all truth and undying ecstatic love – which is the definition of God. In pursuing that goal we find happiness. **Pleasure is not the purpose of anything; pleasure is a by-product resulting from doing something that is good.** One of the best ways to get happiness and pleasure out of life is to ask ourselves, “How can I please God?” and, “Why am I not better?” It is the pleasure-seeker who is bored, for all pleasures diminish with repetition. - Venerable Fulton Sheen*

Saint of the Week: St. Joseph - March 19 Nothing is known of St Joseph except what is said of him in the Gospels. He was a carpenter; he accepted the will of God; and he supported Mary and brought up Jesus. From the human character of his son we can see that he was a good and responsible father. He is widely venerated as a patron of artisans who honourably do good work with the gifts God has given them, and of workers in general. To those who exercise the role of an adoptive parent, whether formally or informally, whether over one child or as the support of a whole family, he is a source of inspiration.

Yearbook Info: This year, St. Stanislaus is using TreeRing to make our yearbooks. We made the switch to TreeRing for two reasons:

- Custom Pages: Every student gets a one-of-a-kind printed copy of the yearbook, containing two free pages that they can customize with personal photos. If you choose not to customize those 2 pages, they will be general school pages. All customized pages must contain appropriate materials.

- Buy a Book, Plant a Tree: TreeRing plants a tree in our school's name whenever someone from our school purchases a yearbook. (And here's a bonus: They print on recycled paper.)

In order to buy your book and start your custom pages, visit www.treering.com and create an account. The school passcode is 1015338413001826. The cost for a yearbook is \$24.94. **The deadline is April 15. Anyone who wishes to purchase a yearbook must do so online, whether or not you choose to customize pages in your child's book.** If you run into any issues while setting up your TreeRing account,, contact the support team at support@treering.com.

8th Graders ONLY: Your yearbooks will be ordered by the school. **You will customize your pages in school on March 20. Your parents must have created an account for you before that day. You must have all photos that you wish to upload on your school gmail drive before that day.**
